## Keynote Lectures and Panel Discussion

### Borderless World

~Japan in International Perspective~

Topic : Revitalizing Japan

Lecturer : Ms. Ayako KUMEI

Lecturer Profile: Graduated from New York University, then began work  
at NHK (Japan Broadcasting Corporation). Worked for NHK's Fukui and  
Kobe offices before transferring to the Information Office International  
Department. Afterward, sent to America to work in the New York  
office, where she covered American social issues, the presidential  
election, and the space program and policy. Retired last year.

13:30~15:00 Basement

Viewing ways of revitalizing Japan  
from an international perspective,  
as well as how to learn  
from outside examples.
