Hello from REINAN!

Have you ever heard of the ‘Hawaii in Hokuriku’? Mizushima is a beach paradise right off the coast of Tsuruga Bay. You can only go during beach season in the summer (via a paid ferry) so it feels extra special and exciting! Mizushima is an uninhabited island off the Tsuruga Peninsula with exceptionally clear water and a white sand beach making it very popular. The white beach and blue waters stretch around the island, making for a beautiful contrast and tropical atmosphere! You can get the fun of international travel while staying here in Fukui! This summer, swim with the fish around Mizushima, get a tan, and feel like you've travelled to a faraway tropical paradise!
